

Supplier Portal – Setting a new password

There are 4 steps.

1. First fill in your email address and click "Sign in"

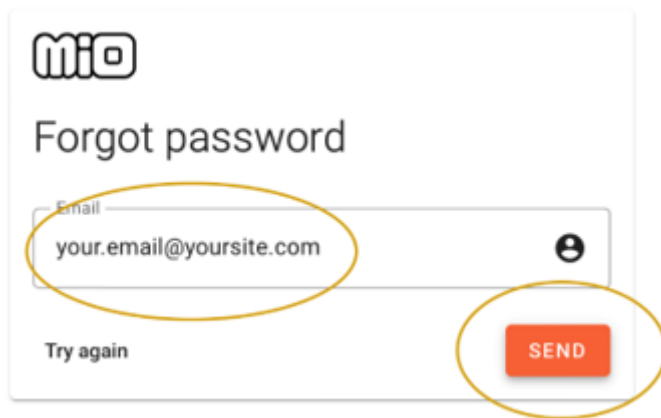

2. Then click "Forgot password?"

A screenshot of the Mio 'Sign in' form. The form includes the 'mio' logo and the title 'Sign in'. It has two input fields: 'Email' with the placeholder 'your.email@yoursite.com' and a key icon, and 'Password' with a key icon. Below these fields is a checked checkbox labeled 'Remember me'. At the bottom, there is a 'Forgot password?' link circled in yellow, a 'Cancel' button, and a red 'SIGN IN' button.

3. Make sure the email address is correct and press "Send".

The screenshot shows a web form for 'mio' with the title 'Forgot password'. It features an email input field containing 'your.email@yoursite.com' and a red 'SEND' button. Both the email field and the 'SEND' button are circled in yellow. A 'Try again' link is located below the email field.

4. Now an email is sent to the above address. There is no warning or message if the email is incorrect.

It might take a while for the email to reach you.
The email might get stuck in your spam filter.

The email contains a link that is valid for 24 hours.
Follow the link and activate your account.
